## TEXAS MEDICAID WAIVERS

Join Casey's Circle to talk about Medicaid Waivers. This topic is one that EVERYONE can benefit from learning. The application process and knowing the difference between the waivers can be very confusing. The amazing Elizabeth Tucker will be going over the basics and answering questions. If you are on a waiver, or want to know more about what they are and how they work, you will not want to miss this session!

***Se habla Español*** – Ofrecemos servicio de intérprete español para esta reunión. Responda enviando un correo electrónico a [info@caseyscircle.org](mailto:info@caseyscircle.org) para informarnos cuántos adultos y niños asistirán.

All Tuesday Talks include dinner and child care- RSVP is required.
